1000+ Riddles with Answers, Edited by Melkisedeck Leon Shine

The answer is a promise! ?

Explanation: Well, you see, a promise is something intangible, you can't really hold it in your hand. But breaking a promise? Oh boy, that's a whole other story! It's like a delicate little thing that shatters into a million tiny pieces when it's not kept. So remember, folks, always keep your promises, unless you want to be known as the promise breaker! ??
