

What is easy to get into but hard to get out of?

By Melkisedeck Leon Shine · July 3, 2023

1000+ Riddles with Answers, Edited by Melkisedeck Leon Shine

Short Answer: Trouble! ?

Explanation: Just like getting into trouble is often easy and spontaneous, it's usually much harder to find a way out of it. It's like stepping into quicksand, the more you struggle, the deeper you sink! So, it's better to stay out of trouble in the first place and keep those happy vibes flowing! ??
