1000+ Riddles with Answers, Edited by Melkisedeck Leon Shine

The future! ?

Explanation: The answer to this riddle is the future because it is always in front of us, but as it hasn't happened yet, we can't see or predict it. Just like when we walk forward, we can't see what lies ahead until we actually get there. So, let's embrace the unknown and dance into the future like nobody's watching! ??
