

What has a mouth but can't talk?

By Melkisedeck Leon Shine · July 3, 2023

1000+ Riddles with Answers, Edited by Melkisedeck Leon Shine

A mailbox! 📧 It's always got a mouth but never says a word! 😊😊😊

Explanation: A mailbox has a slot or opening that resembles a mouth, but it cannot actually talk or make any sounds. The humor comes from imagining a mailbox trying to communicate verbally, which is quite amusing. The emoji 📧 represents the mailbox, while 😊 and 😊 represent the cheerful and silent nature of the mailbox, respectively.
