1000+ Best Jokes That You Will Find Absolutely Hilarious, By Melkisedeck Leon Shine · Funny Questions with answers, By Melkisedeck Leon Shine

Short Answer: ? Shocked, but electrified with excitement! ?

Explanation: When Benjamin Franklin discovered electricity, he must have been shocked by the unexpected jolt it gave him. However, instead of being scared, he would have been absolutely thrilled and exhilarated by this electrifying discovery! The combination of being both shocked and excited perfectly captures the humorous irony of the situation. ?
