Question/Riddle: What did the baker say to his wife?

Answer: "Honey, I'm kneading you!"

Explanation: The answer is a play on words, using the term "kneading" which is a technique bakers use to mix dough, but here it's used to indicate affection towards his wife. It's meant to be funny because it adds a touch of silliness to their relationship. The use of the emoji 🍞 can further enhance the humor by representing the baker's profession and the delicious bread he bakes.
