Short Answer: Sleep with a garlic necklace and a wooden stake by my side! ?????

Explanation: As a fan of Dracula, I would take my obsession to the next level by ensuring I'm fully prepared for any potential encounters with vampires. Sleeping with a garlic necklace around my neck would keep those bloodsuckers at bay, and having a trusty wooden stake nearby would serve as my ultimate defense. Who needs a good night's sleep when you can be a vampire slayer, right?! ??
