Q: What kind of murderer has fiber? ????

A: The Cereal Killer! ??

Explanation: This riddle plays on the double meaning of "fiber." While the question seems to be about a murderer with dietary fiber, the answer takes a humorous twist by referring to a "Cereal Killer" instead. It's a play on words, adding a fun and unexpected element to the riddle. So, instead of imagining a murderer with a healthy diet, we end up picturing someone who targets breakfast cereals with a mischievous intent! ???
