A math teacher's favorite tool is...a CALCULATOR! ??

Explanation: A math teacher's favorite tool is a calculator because it helps them solve complex math problems quickly and efficiently. Plus, let's be honest, who doesn't love pressing buttons and watching numbers magically appear? It's like a math teacher's version of a magic wand! So, the trusty calculator becomes their best friend in the classroom, helping them conquer equations and impress their students with their mathematical prowess. ??
