Short Answer: The bird went to the "quack" doctor! ??

Explanation: When a bird loses a feather, it might feel a little off balance. So, to get some help and find balance again, it decides to visit a doctor. But not just any doctor, a "quack" doctor! ?? The term "quack" is often used humorously to describe someone who claims to be a doctor but isn't really qualified. So, the bird humorously seeks the assistance of a funny, feather-focused doctor to solve its feather woes! ??
