

Where do kids in New York City learn multiplication?

By Melkisedeck Leon Shine · July 3, 2023

1000+ Best Jokes That You Will Find Absolutely Hilarious, By Melkisedeck Leon Shine · Funny Questions with answers, By Melkisedeck Leon Shine

Answer: In the Big Apple-tation Station! ???

Explanation: Kids in New York City learn multiplication at the Big Apple-tation Station, because what better place to have a math adventure than in the bustling city of New York? Just like the subway stations in NYC, this imaginary Big Apple-tation Station is a hub of knowledge and fun, where kids can hop on the math train and multiply their way to success. ???
