Short Answer: It's probably a flock of tap-dancing penguins! ??

Explanation: When someone asks "Who is knocking?", we can give a funny and imaginative response to bring a cheerful tone. By suggesting that a flock of tap-dancing penguins is responsible for the knocking, we paint a playful picture that brings a smile to the face. The idea of penguins tapping away at the door is silly and unexpected, adding a touch of creativity and humor to the situation. The penguin emoji reinforces the lightheartedness of the response.
