Short Answer: Because he wanted to play cool jazz! ??

Explanation: The boy kept his trumpet in the freezer because he thought it would bring a whole new meaning to playing cool jazz! By keeping his instrument in the chilly freezer, he believed he could create the coolest and most refreshing tunes ever. Maybe he was trying to invent a new genre called "frosty-funk" or "icy-improvisation"! Who knows, music can sometimes take us to the most unexpected places, even the freezer! ??
