1000+ Best Jokes That You Will Find Absolutely Hilarious, By Melkisedeck Leon Shine · Funny Questions with answers, By Melkisedeck Leon Shine

Short Answer: Because they don't want to peel!

Explanation: ? Bananas have to put sunscreen on before going to the beach because they want to avoid peeling, just like how we humans use sunscreen to prevent our skin from getting burnt and peeling. After all, nobody wants to see a bunch of sunburnt bananas with peeling skin at the beach! ??
