

Why don't animals eat clowns?

By Melkisedeck Leon Shine · July 3, 2023

1000+ Best Jokes That You Will Find Absolutely Hilarious, By Melkisedeck Leon Shine · Funny Questions with answers, By Melkisedeck Leon Shine

Short Answer: Because they taste funny! ??

Explanation: Animals don't eat clowns because they taste funny, not in a ha-ha funny way, but in a strange and unusual way. Clowns are known for their colorful outfits, exaggerated makeup, and funny antics, so animals might find their taste rather peculiar and not very appetizing. It's best to leave the clowns for the humans to enjoy at the circus! ???
