Instead of laughing, Tommy's sneeze sounded like a hysterical piglet's squeal! Oinking and giggling, he tried to hold back his laughter but it was futile. Passersby couldn't help but join in, pointing at Tommy and laughing along with him. ???

As Tommy's inconvenient laughter continued, the gumball machine sensed there had been a slight mishap in its hilarity-inducing powers. Determined to make things right, it started spitting out gumballs left and right, each with its own absurd effect. ???

One gumball turned a man's hair into a rainbow-colored afro, causing him to dance around in the most flamboyant of ways. Another turned a grumpy old lady into a contortionist, twisting her body into shapes that defied the laws of physics. The whole town erupted with laughter-filled chaos! ???

As the giggle-inducing gumball machine continued its rampage, chaos ensued. People were laughing uncontrollably, rolling on the ground, and clutching their stomachs. The town became a whirlwind of pure joy and hilarity. ???

Finally, the gumball machine, realizing the chaos it had caused, decided to put an end to the madness. With one final gumball, it transformed itself into a giant, walking gumball, waving a flag that said, "Sorry for the laughter mayhem!" ?????

The townspeople, still chuckling and wiping away tears of laughter, forgave the gumball machine. They crowned it the official Jester of Chuckleville and paraded through town, laughing and celebrating the joy it had brought them. ???
